

Mission: To improve Bermuda domiciled captives and encourage awareness of Bermuda as a captive domicile by providing education, networking and information to Captive Owners.

The Bermuda Captive Owners Association (BCOA), a Bermuda not-for-profit organization, was formed to provide a formal forum for Bermuda captive owners to exchange ideas and promote the interests of their captives.

The BCOA is governed by a Board of Directors who meet monthly via conference call to discuss the advancement of the Association in keeping with strategic goals and to direct the implementation of initiatives.

| <u>Title</u> | <u>Contact</u> | <u>Captive Name</u> |
|--------------|-----------------|---|
| President | Alan Gier | General International Limited |
| Director | Paul Berkemeier | Red Life Re |
| Director | Laurel Bowar | FAC Re Ltd. |

| Director | Peter Willitts | n/a |

The BCOA fiscal year begins July 1st. The Association’s Annual General Meeting (AGM) is held during the Bermuda Captive Conference (BCC). BCOA directors are actively involved in planning the BCC by participating in steering committee and sub-committee meetings. As a result, we have a strong presence at the BCC with a dedicated booth, as conference speakers, and as hosts of a Networking Tea for captive owners attending the conference.

Following are summary benefits of BCOA Membership:

- Networking opportunities with peers
- A full delegate pass to the 2017 Bermuda Captive Conference, September 11 – 13 (one pass per BCOA member company)
- Opportunities to influence the content in the Bermuda Captive Conference program.
- Member Briefing – Newsletter
- Member Forums – WebEx presentations on topical captive subjects.
- A voice at the BCOA Annual General Meeting.

Captive owners are encouraged to join the Association to lend their voices and energies to the advancement of the organization to meet the evolving demands of this unique community.
